The Honorable Kay Granger
Chair
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Lanark Water Main Replacement Project in fiscal year 2024. The entity to receive funding for this project is The City of Lanark, located at 111 S Broad St A, Lanark, IL 61046. The funding would be used for repairing the city's water mains, as it has been experiencing an inordinate amount of water main breaks and low-pressure situations. The project is an appropriate use of taxpayer funds because the current water infrastructure is not suitable to provide adequate quality and reliability to residents and businesses.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Eric Sorensen
Member of Congress
